

# Meadow View Primary School

## February 2017

Dear Parents

Can you remember last school year when we consulted parents about our Meadow View 50 Things to do before you leave Meadow View? We came up with the idea based on the National Trust, **50 Things to do before you are 11 $\frac{3}{4}$** . Thank you to all parents who added, amended and deleted ideas. As a school, we looked at the list and devised our own creating the '**50 Things to do at Meadow View Primary School**'. When teachers are planning their Projects, they are adding one or two from the list. We are also referring to the list when planning whole school events. As parents we would love you to get involved too. As part of the homework menu, you too could choose one or two to do at home with your child at the weekend or during school holidays. Together, we can ensure that over the course of the 7 years that a child is at Meadow View, they will have experienced all aspects on the list.
