

Meadow View Primary School

May 2017

Y6

Last week the Y6s sat their Statutory Assessment Tests (SATs). All the Y6 team are very proud of each and everyone of the Y6s. Their resilience, determination and hard work ensured that they came out of each test smiling saying that it wasn't as bad as they had expected.

Well done all!

Forest Schools Grand Opening

Did you see our School in the Advertiser last Friday? The Advertiser did a feature on our Forest Schools area with children and parents from EYFS. We would like to thank ENGIE, Transform Schools and Countrywide for sponsoring the area and donating money, materials and lots of hard work to help develop the area.

Thank you!

Morning Routines

Here is a quick reminder of our morning routine at Meadow View:

- Cars should not come down the drive in a morning – parents should use the top car park.
- The green gate opens at 8.30am and **closes at 8.50am**.
- When the bell goes at 8.50am this is to indicate to parents to leave the classroom and make their way out of school.
- Children and/or parents will **not** be allowed through the green gate after 8.50am – they must go to the school office after this time to register their child and children will be let into school by staff.
- A member of staff will be on the gate between 8.50 and 9.00am to let parents out and ensure that all parents have left the site.
- If a parent needs to speak to a teacher, please do this at the end of the day. In a morning teachers are supporting learning in class.

Please note that the above times are part of our Safeguarding procedures to ensure that all children are safe.

We are **GOLD!**

Thank you to all the hard work of our Parent Council, parents and staff in school. We have been successfully awarded GOLD for the way that we work with parents to ensure that children's needs are met.

"Meadowview Primary School is a vibrant, inviting school where values are evident in the warm welcome and the colourful, stimulating environment".

Here are a couple of quotes from the report....

Thank you to the Parent Council for their positive words about school. It reassures us that we are making the right decision for your children!

"There is no doubt about your commitment to each child and their families. We value that the commitment to the Charter is seen as part of everyday school life, that it is so deeply a part of your ethos and drives everything you do. Your enthusiasm and the way you have committed to try new initiatives to support your school community is truly exemplary".

Parent Governors

Are you interested in helping the school improve more? We need a new parent Governor. Please look out for the letter tomorrow from our Chair of Governors for more information.
