Are you keeping your children safe?

Do you know how to keep your children e-safe?

Mrs Smith and Mrs Keenan (Meadow View's Child Protection Officers) have recently had updated training in relation to E-Safety. This training has been cascaded to staff and we thought Parents would find it interesting and informative.

Did you know:

- The app Musical.ly has a link called Live.ly? Children can stream live their musical talents. However, people can comment and during a recent study by Channel 4 more than half of the comments on the live stream had inappropriate content of a sexualised and explicit nature.
- Musical.ly and Live.ly have limited parental controls
- When broadcasting live stream on Musical.ly there is a location device which can alert people to where the stream is being broadcasted – ultimately they know where your child is!

What can parents do to find out more?

- **Net Aware** is an APP which gives information on 60-70 current APP with concerns. Also information about privacy settings.
- **Common Sense Media** is an American website with a big database of suitability of APPs and gaming concerns.
