

Meadow View Primary School

September 2017

WELCOME!

We would like to say a very big MVP welcome to Miss Hague and Miss Cooke. Miss Hague is our new Sports Coach who will lead sports activities at lunchtime, support staff to upskill PE teaching in school and lead sporting After School Clubs. Miss Cooke will be completing her teaching training in school during this year and she will start in Miss Webster's Y5 class.

CONGRATULATIONS!

Over the summer Miss Foster got married. She had a wonderful day and she looked absolutely beautiful. She has now returned as Mrs Clayton.

Change of Name - Over the summer Mrs Charnock who works in Y1/2 has changed her name to Mrs Gear.

We would also like to say a huge welcome back to **ALL** of our children. What a fantastic first day back to school. Every class has had children ready for learning with a fantastic attitude and in full uniform. Classrooms are looking colourful and inspirational. Thank you to all staff who have worked hard to ensure that the environments and curriculum is fun, interesting and relevant. It feels like it is going to be another great year at Meadow View.

Times of the day

The bell goes to start learning at **8.50am**.
The green gates open at 8.30am.
Once the bell has gone parents must leave the classroom and any children arriving after this time should enter through the school office.

5Rs

The ethos of our school is built around five words; **Respect, Responsibility, Resourcefulness, Resilience and Reflection**; we call these our **5 R's**. These words are connected to everything we do at school; ensuring that every child reaches their own personal goals and most importantly their potential. It is our aim that every child will have the confidence and skills for their next stage of their learning journey and for their future life. In assemblies we teach children what each of the 5Rs means in and around school. If a child is not showing one of the 5Rs they will be given a reminder of how to rectify their behaviour. We are currently trialling the use of Restorative Practice as a strategy to develop children's behaviour. More information will be given to parents about this in the next newsletter.
